Highlighted Projects

Twitch Rivals

Twitch Rivals is a tournament hosted by Twitch. I made a Minecraft gamemode for them in which streamers competed for a prize pool of \$100,000.

2020 - 2021

Read more about it at
tabuu.nl/posts/240

TabuuCore

TabuuCore is a library I wrote to improve the speed and quality of my Spigot freelance work.

2017 - now

Read more about it at
github.com/Tabuu/TabuuCore

Lukkien Air

I was invited to test Lukkien's intake assignment for a 'senior Java developer' role.

2019

Read more about it at
